Independent Auditor's Review Report on Quarterly Unaudited Financial Results and Year to Date Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Review Report to
The Board of Directors
SAB Events and Governance Now Media Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **SAB Events and Governance Now Media Limited** ('the Company') for the quarter ended 31st December, 2022 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/CMD1/44/2019 dated 29th March, 2019. This statement which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Basis of Qualified Opinion

- a) The Company had acquired its publication and MICE business in Financial Year 2015-16 as per the scheme of arrangement and during such acquisition the company has recognised goodwill amounting to Rs.788.69 Lakhs as Goodwill on demerger. The carrying value of Goodwill as on 31st December, 2022 is Rs.239.65 Lakhs. However, the Company has not been able to generate sufficient income from its publication and MICE business since last five years and has incurred losses of Rs.58.15 Lakhs for the nine months ended on 31st December, 2022 and during the preceding financial year ended 31st March, 2022 of Rs.113.25 Lakhs and also company has discontinued publication of its magazine 'Governance Now', in our view this facts indicates that there is impairment in the value of Goodwill. However, the Company has not carried out impairment testing on goodwill and instead amortising the Goodwill over a period of 10 years which is not in consonance with the Ind AS 36 Impairment of Assets. In the absence of working for impairment we are unable to quantify the amount of impairment provision required and its possible effects on the financial statements.

- b) The Company has not accounted the lease transactions as per requirements of Ind AS 116 Leases. Had the said standard been followed, the liabilities would have been higher by Rs.41.02 Lakhs and assets would have been higher by Rs.39.09 Lakhs and loss would have been higher by Rs.0.18 Lakhs.
4. Based on our review conducted as above and except for the possible effect of our observation reported in para 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Material Uncertainty related to Going Concern

During the nine months under consideration and in the immediately preceding financial year company has incurred the cash losses and the fact that company's current liability are 1.39 times of its current assets and current liabilities exceeds by Rs.260.79 Lakhs. Management has plans to improve the Cash Flows by conducting regular ground events. In the event management plans do not achieve the desired cash flows and profitability in the near future and is unable to raise the sufficient long-term funds there exists a condition that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.
