Independent Auditor's Review Report on Quarterly Unaudited Financial Results and Year to Date Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Review Report to
The Board of Directors
SAB Events and Governance Now Media Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **SAB Events and Governance Now Media Limited** ('the Company') for the quarter ended 30th June, 2023 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/CMD1/44/2019 dated 29th March, 2019. This statement which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. **Basis of Qualified Opinion**
 - a) The Company had acquired its publication and MICE business in Financial Year 2015-16 as per the scheme of arrangement and during such acquisition the company has recognised goodwill amounting to Rs.788.69 Lakhs as Goodwill on demerger. The carrying value of Goodwill as on 30th June, 2023 is Rs.200.53 Lakhs. However, the Company has not been able to generate sufficient income from its publication and MICE business since last five years and has incurred losses of during the quarter ending 30th June, 2023 of Rs. 29.63 Lakhs and during the year ending 31st March 2023 of Rs.98.78 Lakhs during the year ended on 31st March, 2023. Also the Company has discontinued the publication of its magazine Governance Now since FY 2019-20. Further the Company is not able to service its debt obligation. In our opinion, these facts indicate that there is impairment in the value of Goodwill. However the Company has not carried out impairment testing on goodwill and instead amortising the Goodwill over a period of 10 years which is not in consonance with the Ind AS 36 Impairment of Assets. In the absence of working for impairment we are unable to quantify the amount of impairment provision required and its possible effects on the financial statements.
 - b) During the quarter ended March 2023, management has represented to us that they have initiated settlement process with the lender for waiver of interest from October 2022 and extension for principal repayment. Accordingly, no interest has been provided for the period October 2022 to June 2023. The effect of the settlement in the books of accounts is not in line with Ind AS 109.

However, management is unable to produce any evidence regarding the settlement terms agreed. In our opinion since settlement terms are not finalised with the lender interest should be accounted in terms of the existing arrangement. Had the company provided the interest as per the existing arrangement, loss for the quarter ended 30th June, 2023 and year ended 31st March 2023 would have been higher by Rs 23.76 Lakhs and 48.28 Lakhs respectively.

- c) The Company has not accounted the lease transactions as per requirements of Ind AS 116 Leases. Had the said standard been followed, the liabilities would have been higher by Rs.29.88 Lakhs and assets would have been higher by Rs.27.92 Lakhs and loss would have been lower by Rs.0.04 Lakhs.
4. Based on our review conducted as above and except for the possible effects of our observation reported in para 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Material Uncertainty related to Going Concern

We draw attention to Note 5 to the financial results wherein it is stated that during the year under consideration the company has gradually undertaken the ground event, however, company's current liability are 1.33 times of its current assets, current liabilities exceeds by Rs 226.16 Lakhs and the Company is not able to service its debt obligations. Above facts indicate there is material uncertainty regarding company's ability to continue as going concern. However, management estimates that adequate cash flows will be generated from the operation and by way of fund raising to meet its obligations in the near future. In the event management plan does not achieved the desired cash flows and is unable to raise sufficient long term funds there exists a condition that may cast significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.
