- 4 Due to the Global outbreak of COVID 19, the Government of India had imposed nationwide lockdown across the country from 24th March 2020 and extended upto 31st May, 2020. All airline, road, and railway travel was suspended and hotels, auditoriums, offices, factories, schools, universities, restaurants, cinema, sports facilities & retail outlets, etc were closed, except for a few essential services/supplies like grocery stores, pharmacies, etc. There has been a partial lifting of the stringent measures in June 2020.

- 6 Present economic condition and the fact that company's current liability are 2.39 times of current assets indicates material uncertainty with respect to company's ability to continue as going concern in the event company's plan of remodelling the event vertical into webinars and growing the digital portal does not achieve the desired cash flows and profitability.
- 7 Previous period/ year's figures have been reclassified /regrouped wherever necessary to confirm with the current accounting treatment.

**Independent Auditor's Review Report on Quarterly Unaudited Financial Results and Year to Date Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

Review Report to  
**The Board of Directors**  
**SAB Events and Governance Now Media Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **SAB Events and Governance Now Media Limited** ('the Company') for the quarter ended 30<sup>th</sup> June, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/CMD1/44/2019 dated 29<sup>th</sup> March, 2019. This statement which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

**3. Basis of Qualified Opinion**

The Company had acquired its publication and MICE business in FY 2015-16 as per the scheme of arrangement and during such acquisition the company has recognised goodwill amounting to Rs.788.69 Lakhs as Goodwill on demerger. The carrying value of Goodwill as on 30<sup>th</sup> June, 2020 is Rs. 437.16 Lakhs. However, the Company has not been able to generate sufficient income since last four years and has incurred losses of Rs. 19.96 Lakhs for the quarter ended 30<sup>th</sup> June, 2020 and Rs.94.86 Lakhs during the year ended on 31<sup>st</sup> March, 2020. Also considering the further impact on the business of the company due to COVID 19 pandemic and as stated in Note 4 to the financial results, in our view this indicates impairment in the value of Goodwill. However, as stated in Note 5 to the financial results, based on the current estimates, the Company expects to recover the carrying amount of its intangible assets. Since the Company has not carried out impairment testing on goodwill and in the absence of working for impairment we are unable to quantify the amount of impairment provision required and its possible effects on the financial statements.

4. Based on our review conducted as above and except for the possible effect of our observation reported in para 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognized

accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

### **Material Uncertainty related to Going Concern**

We draw attention to Note 4 & 6 to financial results, due to the outbreak of the COVID-19 pandemic, the ground events business operations of the company have come to halt and the company doesn't foresee ground events picking up until Q4 FY 2020-21 and the fact that company's current liability are 2.39 times of current assets and exceeds by Rs.111.51 Lakhs indicates material uncertainty with respect to company's ability to continue as going concern in the event company's plan of remodelling the event vertical into webinars and growing the digital portal does not achieve the desired cash flows and profitability. These events and conditions indicate that a material certainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.
